Golf - In another light

Golf - In another light

NIGHTGOLF - the original concept of golfing by night: now golf is playable during twilight and by bad weather conditions.

NIGHTGOLF is the exceptional game which offers countless options: practice animations, conventions, promotions of brands, tournaments, club anniversaries, sponsoring programs and many more!

Thanks to **NIGHTGOLF** light up your ideas! Biggest golf-resorts are already satisfied and 6 million golf balls sold!

We suggest 2 event-concepts : **The NIGHT TOURNAMENT** is the new sport-challenge and **THE PRACTICE PARTY** is best for exceptional feasts. Both events attract golf beginners and experts, who- all together- experiment bright evenings. To get started fast, all you need are the **NIGHTGOLF-PACKS**. Just select the best matching **PACKS** or customize your golf night thanks to large light-product ranges.

THE NIGHT TOURNAMENT®

The Night Tournament

This competition is delighting to all golfers. Beginners as well as pros experiment night-perception on the fairway. Select 3-9 holes accordingly to numbers of participants and the given time-frame. Outline the areas with **GLOW** : green for the fairway, red for hazard zones (cart paths, water and bridges), yellow for the flags and orange for the players. Use the **NIGHTGOLFBALLS** and **LED-GOLFBALLS**. Golfers play safely when identified by **GLOW**-colours by teams. All discover new sensations and a real sportive challenge.
